Overall how would you rate this event:

How you rate our presenters

As a result do you feel informed, involved and encouraged to get involved in your local health services

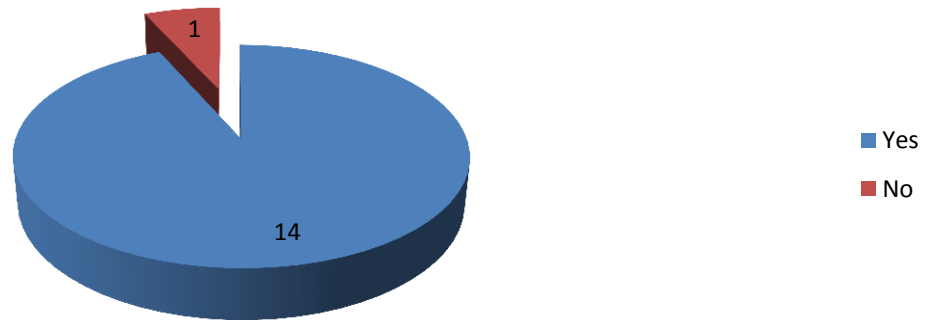

Comments: -

- Event showed up the need of greater working TOGETHER and sharing information
- I am already involved
- Very useful to have “active” PPG Members leading provoking positive comments
- Leaving with ideas for the future information of the PPG with our patients to hopefully interact with our patients
- Through discussions several valuable points to bring up at our next PPG meeting e.g. PPG members to chat to patients
- I joined the PPG last year and have really been inspired by contributors and buzzing with ideas now
- Already am
- Already involved – Has helped to think about “encouraging” my PPG

- Looking for good practice and ideas from other groups

Would you be interested in hearing about future networking events

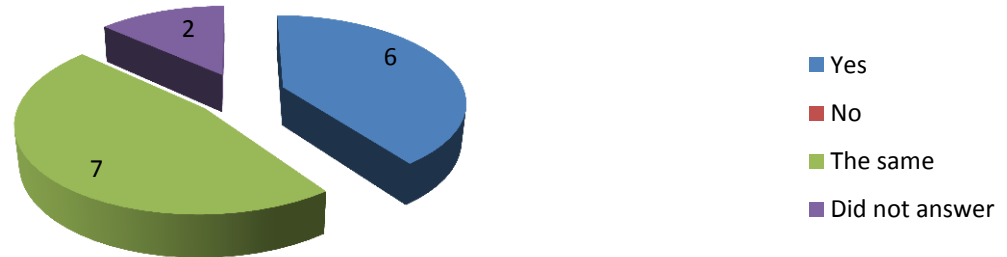

What would you like to hear about at future events?

- Commissioning of services – access – waiting lists, etc with evidence
- Growing patient awareness
- I like the times of the meetings
- Yes – this session valuable
- Sharing ideas with other PPGs again

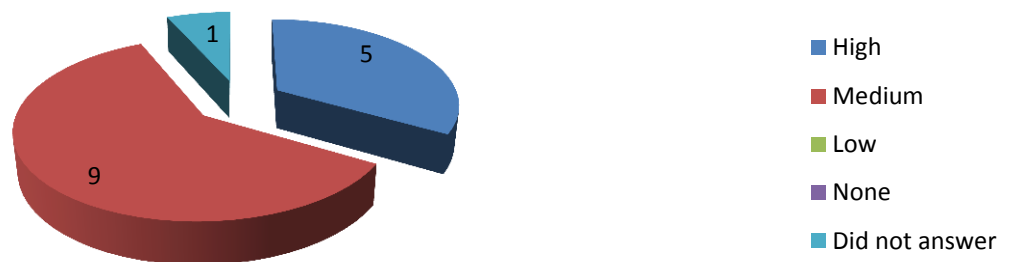

Where would you suggest we hold future events?

- Divide between Ashfield and Mansfield Venues
- Civic Centre
- Ashfield Village
- The Civic Centre is ideal as it is central to Mansfield and Ashfield Area
- Civic Centre Venue was ideal
